SUMMARY

Hi, I'm Maroof Qureshi, a Full-Stack Web Developer and Upwork Rising Talent who turns ideas into powerful digital solutions. With 70+ successful projects across multiple industries and a 5-star freelance track record, I help businesses build fast, scalable, and user-friendly web applications that drive real results. I specialise in modern web technologies and create end-to-end solutions that not only look great but perform exceptionally. From sleek frontends to robust backends, I deliver applications that users love and businesses depend on.
